

Homework Assignment 6
Due Tuesday, Feb. 21st

Instructions: Do all indicated problems and write up your answers. You must staple (no paper clips or other binding options are accepted). Remove frilly edges from your paper.

You may turn in problems in the “Challenge Problems” section, and they are worth bonus points if you do them correctly (and explain your reasoning well).

Problems to turn in:

- 3.1: All of Homework A, but skip 11 and 12 (do them for practice but don't turn in).
- 3.2: All of Homework A.
